

## The 2<sup>nd</sup> Annual Ohio Long-Term Care Symposium Hosted by OMDA- The Ohio Society for Post-Acute and Long-Term Care Medicine

October 18-20, 2019  
Marriott Columbus University, Columbus, Ohio

### Product Theater Proposal Invitation

The Annual Ohio Long-Term Care Symposium is designed for medical directors, attending physicians, consulting pharmacists, physician assistants, nurses, nurse practitioners, dietitians, nursing home administrators, educators in geriatrics, and other healthcare professionals who practice and teach in long-term care settings. Educational sessions target clinical and management topics of interest to post-acute and long-term care clinicians.

There are 4 potential slots for a one-hour product theater:

- Dinner at Marriott Columbus University, 7:30-8:30 pm Friday Oct 18 (1 slot available; up to 40 attendees)
- Lunch at Marriott Columbus University, 12:15-1:15 pm, Sat Oct 19 (1 slot available; expect approx. 30-40 individuals at each)
- Dinner at Marriott Columbus University, 7:00-8:00 pm, Sat Oct 19 (1 slot available; up to 40 attendees)
- Breakfast at Marriott Columbus University, 7:00-8:00 am, Sun Oct 20 (1 slot available; up to 40 attendees)

This opportunity includes:

Host (1) one-hour Product Theater to introduce or provide an update of your product or service to OMDA attendees on a relevant long-term care topic. **The cost to secure a slot is \$3500.00 plus costs associated with providing a meal at the Marriott Columbus University during the presentation. Any costs associated with speakers, food and beverage, and audiovisual equipment are the responsibility of the host company. The host is also responsible for onsite registration and logistics.** Please note that this is a NON-CME opportunity. An exhibit is also included in the product theater fee. Exhibits will be on Friday evening and Saturday.

If you would like to host a Product Theater at our meeting, please submit a **proposal** with the following:

- Company Name
- Product name(s)
- Representative
- Proposed Speaker & his/her CV (NOTE: OMDA speakers preferred)
- Any additional comments
