COVID-19

CALTCM invites you to attend a special webinar series

COVID-19: CALTCM Weekly Rounds

Mondays 4:00 – 5:00 pm (PDST)

Mark your calendars: March 23, 30 and April 6

Join us to understanding of the risks from COVID-19, the measures needed to protect residents and employees, review basic infection prevention and control measures, what to do when someone tests positive, Q&A sessions, and more. Recordings of past webinars are available on our website.

Cost: Free

Registration is Required

A single registration is required for this series of webinars.

Register online at: <https://www.caltcm.org/covid-19>
