

NCH ECHO Behavioral Health

Advanced Series: ADHD in Primary Care

What is Project ECHO?

- **Learning collaborative** to acquire skills to manage kids with behavioral health conditions presenting in primary care office
- **Interactive, case-based** learning and focused didactic during lunch hour and **earn CME** credits.
- Present cases and ask questions to the **interdisciplinary team (Hub)** and other primary care providers (**Participants**) via video-conferencing (Zoom)

Why Child Behavioral Health ECHO?

- Critical shortage of Behavioral Health specialists
- Children often use primary care providers for behavioral health management
- We aim to support and enhance capacity of primary care providers through collaboration with experts and collective wisdom of primary care community

A Great Series to Attend if You Often Ask:

- How do I interpret screeners when parents and teachers report differently?
- What do I do when *stimulants are not working*?
- Children with ADHD and epilepsy (or other medical conditions) – *do I change anything*?
- I wish I knew more about resources for home and school for children with ADHD

What to expect during ECHO session

- Participate in a **60 minute session** (4 sessions)
- Scheduled **to meet on Thursday** (dates below) between **12 and 1 PM** (see dates below)
- Submit a case to present to the group and engage in interactive discussion
- Collaborate with the expert team in providing recommendations

NCH ECHO Behavioral Health

Advanced Series: ADHD

In support of improving patient care, Nationwide Children's Hospital is jointly accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for the healthcare team. (1.0 ANCC contact hours; 1.0 ACPE hours; 1.0 CME hours)

Nationwide Children's Hospital has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credits. Approval is valid for 2 years from the date of the activity. PAs should only claim credit commensurate with the extent of their participation.

As a Jointly Accredited Organization, Nationwide Children's Hospital is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Nationwide Children's Hospital maintains responsibility for this course. Social workers completing this course receive 1.0 continuing education credits.

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.
